

See what your government is doing *before it affects you.*

Bills, executive orders, and court rulings — in plain English, each one linked straight to the official document it came from.

BILL

What Congress is voting on

ORDER

What the President signed

CASE

What the courts decided

We're here to start the reading, not replace it — every summary links straight to the real text.

Nonpartisan by design — every topic shown from more than one perspective.
